SUMMARY

Results-driven Frontend Developer with over four years of experience in designing and developing high-performance web applications using HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap and PHP. Adept at crafting intuitive, responsive, and scalable user interfaces that enhance user engagement and improve performance metrics.

Proficient in modern frontend frameworks and development best practices, ensuring optimized, maintainable, and efficient codebases. Skilled in collaborating with cross-functional teams, leading projects, and implementing cutting-edge solutions to solve complex technical challenges.

Passionate about continuous learning and staying ahead of industry trends to incorporate the latest advancements into web applications. Strong ability to translate business requirements into seamless digital experiences while maintaining high coding standards and UI/UX principles.

Seeking to leverage expertise in React.js and frontend development to drive innovation, enhance user satisfaction, and contribute to dynamic projects within a forward-thinking team.

EDUCATION

Bachelor of Science in Computer Science
Ladoke Akintola University of Technology

11/2007 - 07/2012
Ogbomoso, NG

Diploma in Software Engineering
Prime Innovation Institute of Technology

03/2015 - 01/2017
Lagos, NG

EXPERIENCE

Senior Frontend Developer

01/2021 - Present

MacTech Nigeria

Osogbo, NG

- Led a team of 5 in developing a high-performance single-page application using React, reducing load times by 30%.
- Implemented responsive and accessible design, ensuring compatibility across multiple devices and browsers, boosting user engagement by 25%.
- Optimized web application performance by integrating advanced JavaScript and TypeScript techniques, enhancing speed by 20%.
- Developed and maintained code quality through rigorous testing and debugging, reducing bug rate by 15%.
- Mentored junior developers in front end technologies, improving team skills and project delivery speed by 40%.
- Pioneered the use of modern web frameworks and libraries, increasing development efficiency and reducing time to market by 18%.

Web Developer

01/2018 - 12/2020

Aptech Nigeria

Lagos, NG

- Developed customer-facing single-page applications using HTML, CSS, JavaScript, and Typescript, increasing client retention by 10%.
- Participated in the full software development lifecycle, delivering projects 20% faster than the average timeline.
- Enhanced application performance and scalability using advanced web development tools and frameworks.
- Mentored new team members on best practices in web development, improving team performance.

KEY ACHIEVEMENTS

1. **Reduced Load Times**
   Spearheaded the redesign of a major application, reducing load times by 30% enhancing customer satisfaction.

2. **Boosted User Engagement**
   Implemented accessible design principles resulting in a 25% increase in user engagement across devices.

3. **Enhanced Development Efficiency**
   Introduced new development frameworks increasing team efficiency by 18% and accelerating project delivery.

4. **Mentorship Excellence**
   Successfully mentored over 10 junior developers, significantly improving the team's overall skill set and productivity.

SKILLS

HTML, CSS, JQUERY, Tailwind, Bootstrap, JavaScript, React, Typescript, Node JS, Express, PHP, MYSQL, Mongo DB, Github

CERTIFICATIONS

Aptech Certified Computer Professional
Diploma in Software Engineering
Diploma in Frontend Development

PASSIONS

1. **Web Application Development**
   Passionate about creating efficient and scalable web applications that enhance user experience.

2. **Mentoring Emerging Developers**
   I find great satisfaction in guiding new developers through the complexities of modern web development.

3. **UI/UX Optimization**
   Dedicated to designing visually appealing and user-friendly interfaces that improve accessibility and engagement.

4. **Continuous Learning & Innovation**
   Enthusiastic about staying updated with the latest technologies and best practices to implement cutting-edge solutions in web development.
